Allowable Subject Matter

1. This Action is in response to Amendment filed 11/19/04, which has been fully considered.
2. Claims 1-20 are allowed.
3. The following is an examiner's statement of reasons for allowance: the prior art of record does not teach or suggest a system and method for operating a household appliance comprising a controller for controlling the appliance and for establishing an advertising mode of operation, where information displayed during the advertising mode is further stored in memory. Therefore, the present invention provides an improved system and method of operating a household appliance.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion
